Golden Ladybug pays top tax-free dollars. We are excited about having this fundraiser party.

As a hostess, CDCRC will be earning host money for each gram of gold purchased by the company, over and above the money paid to YOU. Bring in your gold, leave with cash and help out this wonderful organization.

At a recent Gold Buying party in Middletown, one of the sellers was so excited about the items that she sold. She didn't wear them any longer and didn't want to go to a retail facility so she brought them to a party. After testing and weighing the pieces, I purchased them for over \$900! She sat in the chair and began to cry. Her Mother was sitting next to her . . . “what's the matter Bernadette?”, her Mother asked. Bernadette responded, “I can now make my rent for the next 2 months!” I felt so blessed to be able to help Bernadette! And, the wonderful part is that she didn't have to buy anything and left with CASH!

It's such a blessing to meet new people and help them!
