

Angel Auto Information & Requirements

A Joint Project of CDCRC and Dayton-Xenia Auto

Information

Please join us as we continue to support the efforts of hard-working, low-income families within montgomery county and surrounding areas.

Through our financial literacy program, we encounter many individuals with barriers to employment such as...lack of reliable transportation.

In order to meet these needs, the CDCRC has partnered with Dayton-Xenia Auto Parts to create an automobile donation program called "The Angel Auto Network." Through generous donations of automobiles from caring individuals, we are able to provide safe, affordable transportation to someone within your community. We are seeking individuals who are willing to donate their used vehicle so that someone else from the community will benefit. Please consider being "An Angel" to someone in need.

The CDCRC is a 501(c) 3 tax-exempt organization. Please contact us today to arrange a quick, no-hassle pick-up time for your donated vehicle at (937) 223-5966. If you don't have a vehicle, but would still like to donate to the angel auto program...please let us know.
